

Dear Students,

We are pleased to inform you about the opportunity to apply for **full-degree Master's programs** at the **Instituto Politécnico de Bragança (IPB)** for the 2025/2026 academic year.

### Access Conditions to Master's Degrees<sup>[1]</sup>

Applications will be accepted from international students who hold a bachelor's degree or equivalent qualification recognized by the IPB, in the field of the master's degree for which they are applying.

### Evaluation and Ranking

Applications for enrollment in the course will be evaluated and ranked by the Master's Scientific Committee, taking into account the following criteria:

- a) Scientific likeness between the 1st cycle course they have or the school or professional curriculum they have and the course they are applying for;
- b) Classification of the bachelor's degree ;

### English Language Proficiency:

- All full-degree programs are taught entirely in English. A high level of English proficiency (**at least B2 level**) is required

### Required Documents for Application:
